Volume 3, Issue 10

November 2018

President's Message

I aim to keep my message short this month. I encourage you to grab a coffee and take a few minutes to read through the newsletter as there is a ton of important information that may apply to you and/or your family.

Congratulations to Carter Bradford and Soonhae Kim for winning the RHGC Club Championship. Soonhae won in fine fashion setting a new Rolling Hills Golf Club course record from the red tees with a gross score of 80. Congratulations Soonhae!

The next 2 months will be quite busy with SAIT, Turkey Shoot, Monthly Medal, and the Golf Ball along with Nominations, Elections, and the AGM meeting in December.

Ask Carl

Q: Why are there so many tournaments? Why aren't there more tournaments?

A: The Board gets asked both of these questions a lot. Some members believe that RHGC has too many tournaments while others would be happy if there was a tournament each weekend. The Board does its best to balance out the number of tournaments on weekends with the amount of free play. Out of the 104 weekend days in 2018, only 22 days were blocked off for tournaments.

Q: Why does the Board allow unsanctioned leagues?

A: As the word implies, these leagues are "unsanctioned" by the Board and therefore the Board has no authority over them. Basically, all these leagues are is a bunch of people that like to golf together each week at the same time. They book tee-times on ForeTees just like everyone else does. This is no different than if 4 friends play golf every Sunday at 6:00pm.

If you would like Carl to answer a question, please email a Board member and they will make sure Carl gets it. Which is nice.

Membership Drive

Rolling Hills Golf Club will be holding its 2019 Membership drive for early membership renewals and new membership registration at the Clubhouse on the following dates from 10.00 am – 2.00 pm:

- Friday November 23
- Saturday November 24
- Friday November 30
- Saturday December 1

On the above dates, you will be able to complete your RHGC membership and submit the Green Fees form to Recreation for salary deduction all at the same time.

Earlier this month, the proposed 2019 budget was reviewed by the Board of Directors. The recent introduction of the VAT and the increase in tariffs had a significant impact on the 2018 operating costs and needed to be factored into the next budgetary cycle. In order for our members to benefit from the same quality of service and products, the Board has decided to increase the membership's dues, which have remained the same for the past 5 years. Single, family, and cart sheds fees will see a slight increase. There will be no increase to the junior and retiree memberships. Additionally, after months of negotiation with Recreation, the Board is pleased to announce that, soon, members will no longer be charged for driving range balls. This will be a new benefit to all members.

The new membership dues and cart shed fee for 2019 are established as follows:

- Single: SAR 1,000
- Family: SAR 1,300
- Junior: SAR 250
- Retiree: SAR 800
- Cart Shed Fee: SAR 750

Should you have any questions regarding the above change please contact [Ed Devlin](#) directly.

You will be receiving an e-mail notification from the RHGC Membership Directors in early November with the appropriate Pre-filled Membership and Cart Shed Forms (if applicable), together with the Green Fees Form.

Please note that all RHGC Membership Dues and Cart Shed Fees **MUST BE PAID IN CASH** on the day of the membership drive. If you miss the Annual Membership Drive, you can still go to the RHGC Pro-Shop to register or renew your membership. Also, you will be able to submit your completed Green Fees Form and salary deduction to Recreation at the Starter.

Remember, if you own a cart shed - membership / cart shed / green fees **MUST BE PAID BY JANUARY 31, 2019**

Junior Golf
DEVELOPING THE PLAYER, GROWING THE GAME™

Junior Golf Continued

The October Junior Golf Tournament was held on October 6th. Young golfers gathered at the range to warm up and practice putts before heading out to the course.

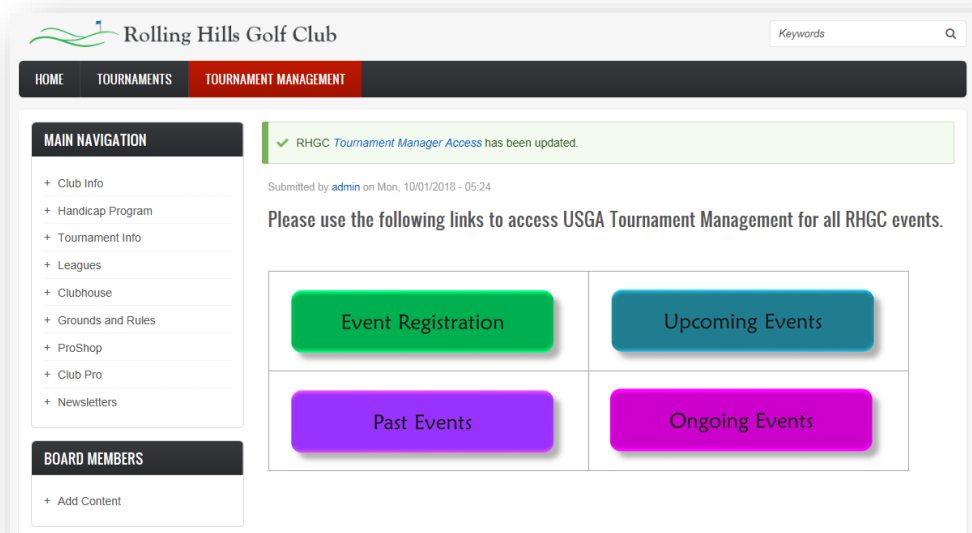

A group of competitive golfers went off the back tees and the winner turned in a score of 44. Congrats to Josh! The other competitive golfers, Justin and Mason, also turned in solid scores. Two groups of golfers played off the front in a fun format, learning rules and etiquette while hitting great shots and dropping long putts.

We had wonderful parents supporting this event by accompanying the groups on the course.

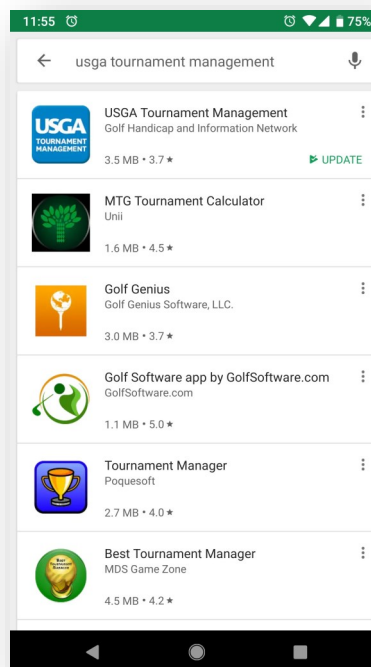

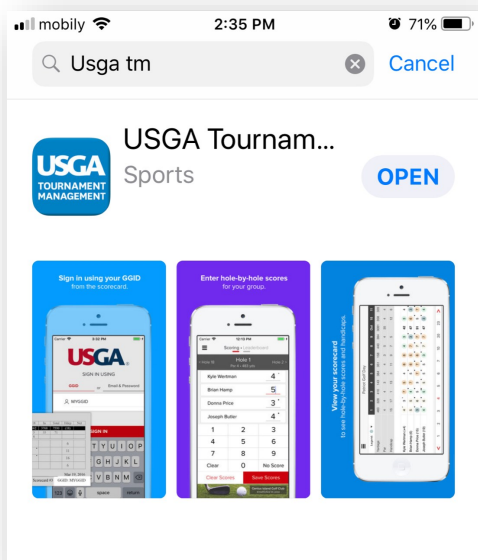

USGA Tournament Management

RHGC has started using USGA Tournament Management for all of its events. No longer do you browse and register for events on ForeTees—it is all done through the RHGC Tournament Management portal. If you are not sure how to access the RHGC Tournament Management portal, an easy way is through the [RHGC Website](#); a menu item has been placed on the main menu bar to help direct members to the portal.

The mobile USGA Tournament Management app does not allow you to register for events. However, it is great for keeping score during events and keeping track of the Leaderboard. The USGA Tournament Management app is available both in the Apple IOS App store and in Google Play.

Grounds and Rules

Adopt a Hole

Have you ever thought, “With just a little bit of love RHGC could even be more amazing”? Well, we would like to set up an “Adopt-A-Golf Hole” program. We envision a few members getting together and spending at least 30 minutes a week making sure there are no issues with their adopted golf hole. Issues can be litter, movable obstructions, beautification, maintenance, and pretty much anything that you think would improve your hole. New ideas will certainly be encouraged.

If you have an interest send me email and I will set up a meeting down the road.

Rule Changes

There are a lot of rule changes coming in 2019. There is a great video on [YouTube](#) that explains the 20 most important changes. Below is a summary of the main changes.

	Ball replaced	How to replace a ball lying off the putting green when it moves and its exact original spot isn't known	New rule: Replace the ball on its estimated spot; if that spot was on, under or against attached natural objects, replace the ball on that spot on, under or against those objects. Ball in motion	Accidental Deflection	Player's ball in motion accidentally hits the player, his or her caddie, the person attending the flagstick or the attended or removed flagstick	New rule: No penalty. Taking relief	Dropping Procedure	Where a ball must be dropped	New rule: Drop in a defined relief area. Current rule: Sometimes the drop is in a specified area, sometimes it is on or as near as possible to a spot or a line.
	Dropping Procedure	Where a dropped ball must come to rest	New rule: The ball must come to rest in the relief area where it was dropped. If the ball comes to rest outside of the relief area, the player will drop a second time in the relief area. If the ball again comes to rest outside the relief area, the player will place it where the ball first touched the ground on the second drop. Current rule: The ball must be re-dropped if it rolls to any of the nine specified areas (Rule 20-2c), such as rolling more than 2 club-lengths from where the dropped ball struck the ground.
